Accessibility of statistik.msb.se

This website is run by the Swedish Civil Contingencies Agency (MSB). We want as many people as possible to be able to use this website, and this document describes how statistik.msb.se complies with the accessibility regulations, any known accessibility issues, and how you can report problems so that we can fix them.

How accessible is statistik.msb.se?

We know some parts of this website aren't fully accessible. See the section on non-accessible content below for more information.

What to do if you can't access parts of this website?

If you need content from this website that is not accessible for you, please contact us on statistik@msb.se. Our normal response time is a week.

You can also contact us in the following ways:

- email registrator@msb.se
- call +46 771 240 240

Reporting accessibility problems with this website

We're always looking to improve the accessibility of this website. If you find any problems that aren't listed on this page or if you don't think we are meeting the requirements of the accessibility regulations, contact us and let us know about the problem.

Technical information about this website's accessibility

This website is partially compliant with the Swedish accessibility regulations, due to the non-compliances listed below.

Non compliance with the accessibility regulations

Description	WCAG	Level
<p>On some pages, for example the search page, form elements are not grouped correctly.</p> <p>HTML is used to format content.</p> <p>On some pages the attribute 'aria-label' is not used to correctly distinguish between the different regions on the page.</p>	3.1.1 Info and Relationships	A
<p>When searching for a variable value, the same descriptive text is used on the search button for all variables..</p>	2.4.4 Link Purpose (In Context)	A
<p>Unclear error message on the page "View result".</p>	3.3.1 Error Identification 4.1.2 Name, Role, Value	A A

The publishing tool this website is built with doesn't yet fully satisfy the accessibility regulations. The system vendor is working on fixing the accessibility issues.

Ongoing updates will be made to the website when new versions of the publishing system are released.

Our ambition is that the website will fully satisfy the accessibility regulations by the 31th of December 2024 at the latest.

How we tested this website

We have performed a self-assessment (internal testing) of statistik.msb.se, with the tool Siteimprove. The last assesment was made June 5th 2023 and is formally endorsed by the owner of the website.

The website was first published June 5th 2023. The statement was last updated June 5th 2023.
